

How to Access Recordings of Blackboard Collaborate Ultra Sessions

To find the Collaborate Ultra recorded sessions in your Blackboard course please follow the following steps:

- 1 Go to **Virtual Classrooms Ultra**.

- 2 Click the menu button in the upper left corner.

- 3 Choose the **Recordings** link

How to Access Recordings of Blackboard Collaborate Ultra Sessions

- 4 Use the **Filter** option to search for all recorded sessions within a desired date range. To access a recording, click on the recording name.

Session name / Recording name	Date
Digital Text / recording_1	3/16/20, 9:33 AM

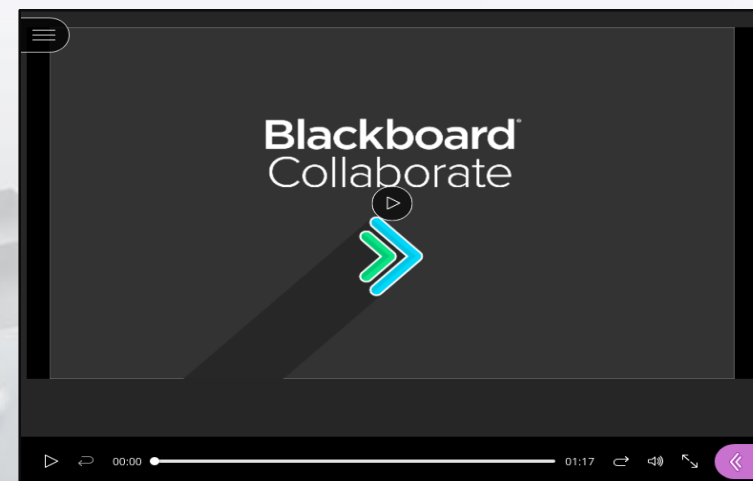

- 5 Click on **Watch now** to view your recording

Session name / Recording name

Digital Text / recording_1

 Watch now

- 6 The recording player will appear in a new window

Note: Accessing a recorded session is only available in the web browser view of the Blackboard. Students cannot view a recording from the Blackboard mobile application unless it is provided as a link within the learning materials of the course.
